PayPal to croft16@btinternet.com

If you do choose to send money with order and if any cultivars you wish to order have sold out, would you like us to:

- use substitutes specified by you, to make good the order, in the fairest way possible?
- use our judgment to select the nearest available match in appearance, to the same value?
- send a refund, if paid in advance, taking account of any change in p&p?
